Short Term Plan...

Stages of Success

+ Become a Hijama Entrepreneur and be Part of The Health Revolution-Section 1

Plan your Business Model:

- Work from home
- Mobile clinic
- Hire space in a health Centre, Surgery, Beauty Salon

Recover your expenses such as course tuition fees, supplies and equipment, stationary, insurance, utility bills, travel costs, marketing, promotion and advertising. Work part time and save up, then become full time and expand.

Manage your accounts and easily pay your start up, running and outgoing costs.

Expand your business income stream and sell physical products

- Wholesale and retail through online platforms and shops.
- Hijama Supplies, equipment and Sunnah foods
- Books and merchandize

- Organic food and water filter supplies
- Health and complementary products and supplies
- Medical products

+ Start Your Career in Islamic Medicine...
